

**DE**

Herzlichen Glückwunsch zum Kauf des vierteiligen ZWILLING Sommelier-Sets. Wir freuen uns, dass Sie sich für ein Produkt aus dem Hause ZWILLING J.A. HENCKELS entschieden haben und danken Ihnen für Ihr Vertrauen.

Dieses Sommelier-Set besteht aus einem Folienschneider, einem Korkenzieher, einem Weinausgießer sowie einem Tropfring.

Mit den folgenden Benutzerhinweisen möchten wir Ihnen einige Tipps zur richtigen Bedienung und Pflege geben.

**FOLIENSCHNEIDER****Bedienung**

Setzen Sie den Folienschneider von oben auf den mit Folie überzogenen Kopf des Flaschenhalses auf. Drücken Sie die beiden Halbschalen des Schneiders zusammen, so dass die vier Schneidringe den Flaschenhals umschließen. Drehen Sie den Folienschneider nun um 360°, so dass die gesamte Folie durchtrennt wird und vom Kopf des Flaschenhalses entfernt werden kann.

**Pflege**

Den Folienschneider am besten mit klarem Wasser reinigen. Eine Reinigung in der Spülmaschine wird nicht empfohlen.

**KORKENZIEHER****Bedienung**

Setzen Sie den Korkenzieher auf den Flaschenhals der Weinflasche. Bitte waschen Sie den Tropfring per Hand unter klarem Wasser aus. Durch die integrierten Stufen im Innengehäuse des Schafts lässt sich dieser fest auf den Flaschenhals aufsetzen. Drehen Sie nun die robuste und be-schichtete Spindel in den Korken und drehen Sie diesen einfach heraus.

**Pflege**

Das Gehäuse sowie die Spindel am besten mit klarem Wasser reinigen. Eine Reinigung in der Spülmaschine wird nicht empfohlen.

**WEINAUSGIESER**  
**Bedienung**

Setzen Sie den Weinausgießer auf die geöffnete Weinflasche. Beim Ausgießen durchläuft der Wein das integrierte Spiralsystem und wird dabei optimal belüftet. Dies fördert die Entfaltung der Geschmacksnuancen. Darüber hinaus ermöglicht der Weinausgießer einen verschlossenen und tropfenfreien Ausgießen. Sollten Sie Wein übrig behalten, schließt der integrierte Stopfen die Flasche gut ab.

**Pflege**

Den Weinausgießer sowie den Verschlussstopfen am besten mit klarem Wasser reinigen. Eine Reinigung in der Spülmaschine wird nicht empfohlen.

**TROFRING****Bedienung**

Legen Sie die beiden magnetischen Halbringe des Tropfrings an den Flaschenhals an. Durch das ZWILLING Magnetsystem passt sich der Tropfring bequem und schnell an den Flaschenhals an. Der waschbare schwarze Innenfritz fängt die Weintropfen, die nach dem Ausschenken am Flaschenhals entlanglaufen können, gekonnt und unsichtbar auf.

**Pflege**

Den Folienschneider am besten mit klarem Wasser reinigen. Eine Reinigung in der Spülmaschine wird nicht empfohlen.

**KORKENZIEHER****Bedienung**

Setzen Sie den Korkenzieher auf den Flaschenhals der Weinflasche. Reinigen Sie ihn nicht in der Spülmaschine. Wir wünschen Ihnen viel Freude mit dem Sommelier-Set aus dem Hause ZWILLING J.A. HENCKELS.

**EN**

Congratulations on the purchase of your ZWILLING sommelier set. We are pleased that you have chosen a ZWILLING J.A. HENCKELS' product and thank you for putting your trust in our products.

This sommelier set includes a foil cutter, corkscrew, decanter and a drop ring.

These instructions are intended to provide you with use and care tips for continued enjoyment of your sommelier set.

**FOIL CUTTER****How to use**

Place the foil cutter onto the top of the foil-covered neck of your bottle. Press the two semi-circular shells together so that the four cutting rings enclose the neck of the bottle. Twist the foil cutter around 360° so that it cuts through the entire foil enabling it to be removed from the neck of the bottle.

**TROFRING****Bedienung**

Slide the two semi-circular rings of the drop ring around the neck of the bottle. The Z WILLING magnet system ensures that the drop ring quickly and conveniently fits the neck of your bottle. The washable serringa black felt on the inside expertly and invisibly catches any drops of wine that may run down the neck of the bottle after pouring.

**Care instructions**

Wash the foil cutter by hand under running water. Not dishwasher safe.

**CORKSCREW****How to use**

Place the corkscrew on the neck of your wine bottle. The rungs on the inner housing of the shaft ensure that the corkscrew fits firmly and securely onto the neck of your bottle. Turn the corkscrew, winding the spindle into the cork and simply pull up to remove it.

**Care instructions**

To clean the housing and the spindle of the corkscrew, simply rinse them under running water. Not dishwasher safe.

DECANTER

**How to use**

Place the decanter on your open wine bottle. When pouring, the wine flows through the integral spiral system and is thus perfectly ventilated, encouraging the nuances of the flavours to develop. This set Sommelier est composé d'un coupe capsules, un levatappi, Korkenzieher, einem Weinausgießer sowie einem Tropfring.

These instructions are intended to provide you with use and care tips for continued enjoyment of your sommelier set.

**FOIL CUTTER****How to use**

Rinse your decanter and stopper under running water. Not dishwasher safe.

**TAGLIACAPSULE VINO****Utilisation**

Place the foil cutter onto the top of the foil-covered neck of your bottle. Press the two semi-circular shells together so that the four cutting rings enclose the neck of the bottle. Twist the foil cutter around 360° so that it cuts through the entire foil enabling it to be removed from the neck of the bottle.

**DROP RING****How to use**

Slide the two semi-circular rings of the drop ring around the neck of the bottle. The Z WILLING magnet system ensures that the drop ring quickly and conveniently fits the neck of your bottle. The washable serringa black felt on the inside expertly and invisibly catches any drops of wine that may run down the neck of the bottle after pouring.

**CARE INSTRUCTIONS**

Il modo migliore di pulire il tagliacapsule è utilizzare solo acqua pulita.
